What You Use

SNIA

Advancing storage & information technology

Storage Networking Industry Association

Incorporated in December 1997, the **SNIA** is a registered 501(c)6 non-profit trade association. Our members are dedicated to developing and promoting standards, technologies, and educational services to empower organizations in the management of information. . . . . to expand the breadth and quality of the storage and information management market.

Information Lifecycle Management (ILM)

ILM comprises the policies, processes, practices, and tools used to align the business value of information with the most appropriate and cost effective IT infrastructure from the time information is conceived through its final disposition.
